Notes from the Pastor....

Welcome to the newly revised Friendship Good News newsletter! We have changed from an email message format to a PDF file format that we can store online. I want to say a special “thank you” to Pat Marcy for the great job she does each week to put this together!

You now have the ability to save and/or print each week’s news. Please let us know what you think of the new format by emailing us at info@gofriendship.com

We welcome and appreciate your input!

Over the next few Sunday mornings, we are going to be focusing on missions, evangelism and steward-

ship. These three, along with prayer, are a priority for any New Testament church. God has given us a special assignment called the Great Commission. Until He comes, we are expected to fulfill this assignment by praying, giving and going to the “uttermost parts of the earth”. What a privilege is ours to participate with God in His great plan to redeem mankind.

I am excited to have missionary Gracia Burnham with us next Sunday evening. Gracia’s service and sacrifice to our Lord will inspire you. On September

27, our Washington Madison Baptist Association missionary Harry Black will be our guest speaker. You will learn much about our cooperation with other churches in Arkansas and throughout the world to fulfill the mission God has given us. On October 11, Denny Wright from the Arkansas Baptist State Convention will be with us to present his new series “Hope and Help In Tough Times”. This series will help us all be better stewards of all that God has blessed us with.

The greatest days are just ahead! - *Pastor Mike*
